British Association for Psychological Type

The Network for Type Users

The British Association for Psychological Type (BAPT) is a non-profit member organisation dedicated to the further development of psychological type theories and applications and the promotion of best practice and ethical standards in the use of the Myers-Briggs Type Indicator[®] and other type-related instruments.

British Association for Psychological Type
17 Royal Crescent
Cheltenham

Registered Charity No: 1045772

Benefits of BAPT Membership

Whether you are a qualified user of the MBTI® or other personality-type instrument, or simply interested in psychological type, joining BAPT will give you access to professional support and advice in all aspects of type and opportunities for professional development in your use of type.

As a member of BAPT you will:-

- receive the BAPT magazine (*TypeFace*) and the American Psychological Type International Bulletin, quarterly;
- have automatic membership of the European Association for Psychological Type (EAPT)
- get the latest news via a bi-monthly e-newsletter;
- have access to online type-related resources via the BAPT website;
- have special rates at BAPT's Annual Conference to hear and work with UK and overseas experts;
- have the opportunity to network with other type users and join regional and special interest groups;
- have the chance to be included on the Registered Practitioner list if you are qualified and
- have discounts from some publishers of type questionnaires.
