The date is set! From April 7th-9th, 2016, the distinguished Missenden Abbey will play host to our annual BAPT Conference... and this year, it's bigger and better than ever. Whether you're a professional Type practitioner or personal enthusiast, it's an event that you won't want to miss.

And if you're early enough on Thursday, April 7th, join us for an additional FREE bonus session with Susan Nash. From 10:00-12:00 on Thursday, Susan will present a perfect opener: ***Understanding Whole Type Patterns***, a workshop designed for all levels of Type experience.

On Thursday, Dr Penny Moyle (CEO) and Betsy Kendall (COO) of OPP will present '***MBTI Step II: The Journey Continues***', when they will tell us about recent developments in the tool. All delegates will get the chance to take Step II and obtain that **17 page Interpretive Report absolutely FREE** – a saving of £60 over doing this elsewhere. Thursday's session will help bring these results to life.

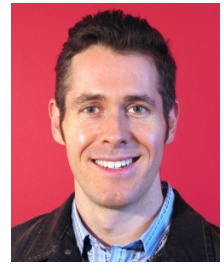

Other agenda highlights include:

MBTI Master Practitioner Jane Kise Ed.D. kicks off the conference in full at 1pm with ***Making Type "Sticky"*** – *Tips for Ensuring Your Audience Understands and Remembers Type Concepts*, and sets the ball rolling on a programme stuffed with a wide range of unique topics guaranteed to grab your interest.

Join world-renowned author and researcher Dario Nardi, Ph.D., as he takes you through ***Re-energizing Your Brain at Midlife***

Dario is also bringing along his portable brain-scanner and will be offering you the chance to get an **exclusive one-to-one consultation and brain imaging** – complete with full written and audio report – for a discounted extra cost.

- Mary McGuiness, founder and Managing Director of Australia's Institute for Type Development guides us through ***Survival Games Personalities Play***
- Ben Lowater pulls back the curtain on ***Personality Parenting & Partnering***
- First-time BAPT speaker Andy Cole lends his considerable experience to exploring the body language of interaction styles in ***Walk This Way***

... And this just scratches the surface of the stimulating variety on offer this year. To see the whole range of topics, take a look at the [FULL PROGRAMME HERE!](#)

The residential rate includes all accommodation and meals for the entirety of the conference at the beautiful Missenden Abbey.

Be sure to book your place as soon as possible and avoid missing out on what will be one of the most enjoyable, fascinating and developmental events in your calendar for 2016.
