Easy Donations by PayPal – without a PayPal account!

It is very simple to use the PayPal button, even if you don't have a PayPal account. Of course, PayPal makes the chance to have an account very prominent – but you don't need to do it!!

This page shows you the 3 screens you will go through, and where to click to make your donation easily and safely by credit or debit card, but without setting up an account.

First click on the 'Donate' button:

Donate

 On the screen PayPal gives you, enter the amount you want to donate near the top. You can even set up a monthly payment if you want.

Then go to near the bottom of the page in the middle, and click the 'Continue' link, circled in blue in this picture.

2. The next screen repeats the amount you put in at the top, and you have the chance to put in your card details on the left-hand side. (The space for your card number doesn't show until you select which type of card you want to use)

Just ignore the login box on the right, if you don't have an account.

When you have put in all the details, click on the yellow button at the bottom of the page, which will take you to a 'review page' to confirm your payment before it goes.

3. The final screen lets you review your donation before you finally send it off.

Click the yellow button at the bottom of the screen to complete the donation, otherwise it won't be made.

You will know it has been done when you get a thank-you screen, and you will also be sent an email by PayPal as confirmation.
